

This is The Trading Strategy The Top 5% Use.

Rules bullish trend:

1. Wait on 20 MA Blue line to be above the 50 MA Black line
2. Wait on the market to pull back and touch at least the 20 moving average
3. Candles must not close below the 50 MA
4. Wait on the market to break out of the last swing high.
5. The close of that candle is going to be our entry
6. Stop loss was one ATR below my entry candle

Bearish version

1. Wait on 20 MA BBL to be BELOW the 50 MA BL
2. Wait on the market to pull back and touch at least the 20 moving average
3. Candles must not close ABOVE the 50 MA
4. Wait on the market to break out of the last swing LOW.
5. The close of that candle is going to be our entry
6. Stop loss was one ATR below my entry candle
